ORDINANCE NO. 15/0415-1

AN ORDINANCE REGULATING THE USE OF WATERCRAFT ON WATERWAYS WITHIN CHISAGO COUNTY

Be it ordained and enacted by the Chisago County Board of Commissioners, State of Minnesota, that the following ordinance, by this act, hereby replaces and nullifies, in its entirety, Chisago County Ordinance Number 07-5 Regulating the Operation of Watercraft and upon its enactment, becomes the new ordinance regulating the use of watercraft on waterways within Chisago County.

Section 1: Authority

As authorized by Minnesota Statutes 86B.201, 86B.205, and 459.20, as now in effect and as hereafter amended, this Ordinance is enacted for the purpose and with the intent to control and regulate the use of the waters in Chisago County, Minnesota, said bodies of water being located entirely within the boundaries of Chisago County, to promote its fullest use and enjoyment by the public in general and the citizens of Chisago County, in particular; to insure safety for persons and property in connection with the use of said waters; to harmonize and integrate the varying uses of said waters; and to promote the general health, safety and welfare of the citizens of Chisago County, Minnesota.

Section 2: Purpose and Intent

It is the purpose of this ordinance to control and regulate the use of certain lakes in Chisago County and to protect public health, safety and welfare through the following objectives:

- A. Minimize conflicts between uses while promoting fullest use, safety and enjoyment by the public in general and citizens of Chisago County of the lakes in Chisago County.

- B. Insure safety for persons and property in connection with use of watercraft on lakes.
- C. Harmonize and integrate the varying uses of lakes in Chisago County.
- D. Minimize adverse impacts on lakes and their shorelands during times of high water.
- E. Preserve and enhance the quality of the lakes in Chisago County.
- F. Conserve and protect the economic, natural and scenic beauty, and environmental values of lake shoreland.
- G. Provide for safe and wise use of lakes.
- H. Protect and preserve natural resources and to maintain the high standard of environmental quality in Chisago County.

It is the intent of Chisago County with this ordinance to:

- A. Apply equally to lakes in Chisago County.
- B. Be consistent with the provisions and standards of Minnesota Statutes and Rules; and Chisago County ordinances and regulations.

Section 3: Definitions

The following words and phrases when used in this ordinance have the meanings set forth below:

- A. **“High Water”** means water elevations at or exceeding the Ordinary High Water Level elevation established by the Minnesota Department of Natural Resources for each specific lake.
- B. **“Lake Identification Number”** is the unique number assigned by the Minnesota Department of Natural Resources which identifies a specific lake or bay.
- C. **“North Channel”** commonly known as North Channel Flowage with the westerly point being the County Road 20 bridge at North Lindstrom Lake and the Flowage Connection easterly point being the channel entrance on North Center Lake.
- D. **“Ordinary High Water Level”** (OHWL) as defined in Minnesota Statutes 103G.005, subdivision 14 (1), means the boundary of water basins, watercourses, public waters, and public water wetlands, and the ordinary high water level is an elevation delineating the highest water level that has been maintained for a sufficient period of

time to leave evidence upon the landscape, commonly the point where the natural vegetation changes from predominantly aquatic to predominantly terrestrial.

- E. **“Operate”** as defined in Minnesota Statute 86B.005, Subd. 10, means to navigate or otherwise use a watercraft.
- F. **“Person”** as defined in Minnesota Statute 86B.005, Subd. 14, includes an individual, partnership, corporation, or any body of persons, whether incorporated or formed into an association or not.
- G. **“Slow No Wake”** as defined in Minnesota Statute 86B.005, Subd. 16a, means operation of a watercraft at the slowest possible speed necessary to maintain steerage, but in no case greater than five miles per hour.
- H. **“Watercraft”** as defined in Minnesota Statute 86B.005, Subd. 18, means any contrivance used or designated for navigation on water, except (1) a waterfowl boat during the waterfowl hunting seasons; (2) a rice boat during the harvest season; or (3) a seaplane.

- E. No person shall operate a motorized watercraft on Bull Lake, DNR Public Water Wetland 13015400. Bull Lake is defined as the open water wetland area entirely surrounded by Allemstratt Wilderness Park. Bull Lake does not include the channel connecting North Center and North Lindstrom Lakes.

Section 6: Exemptions

All authorized Resource Management, Emergency and Enforcement Personnel, when acting in the performance of their assigned duties, shall be exempt from the provisions of this ordinance.

Section 7: Notification

The Chisago County Sheriff shall be responsible for posting notification at public accesses and marking areas affected by this ordinance as practicable. This includes placement of a sign at public water accesses outlining essential elements of the ordinance, and the placement of necessary buoys and signs. The Chisago County Sheriff shall post this information on the Chisago County web site and other locations as deemed necessary.

Section 8: Enforcement

The primary responsibility for enforcement of this ordinance shall be with the Chisago County Sheriff. This, however, shall not preclude enforcement of this ordinance by other licensed peace officers.

Section 9: Penalty

Each occurrence of a violation of Section 5 of this ordinance shall be a separate offense and any person who violates Section 5 shall be guilty of a misdemeanor and upon conviction may be sentenced to not more than 90 days in jail or a fine of not more than \$1,000 or both.

Section 10: Effective Date

This ordinance shall become effective following its publication in the official newspaper of the County. Adopted by the Chisago County Board of Commissioners this 15th day of April, 2015.
