## Families living in Chisago County may receive a Public Health Nurse home visit.

Public Health Nurses check the health status of families, weigh & measure infants and children, work with other community resources and answer any questions you may have about:

- Your Pregnancy
- Labor & delivery
- Breastfeeding
- How to calm a fussy baby
- When to start solid foods

- How to encourage the growth and development of your child
- Family planning/child spacing
- How to make your home safer for your family
- Community resources available to support your family

Please contact **Maternal Child Health Team Lead Barb Mork** at (651) 213-5216 or via email at **Barb.Mork@chisagocounty.us** with any questions. To make a referral complete this form and return it to Chisago County by Fax (651) 213-5401.
