

CHILDREN'S VIRTUAL WATER FESTIVAL
SEPTEMBER 23, 2021

CATEGORY – AQUATIC INVASIVE SPECIES (AIS)

1. MINNESOTA WATERS AT RISK - DNR

Minnesota Waters at Risk. Minnesota Department of Natural Resources (DNR)
<https://www.youtube.com/watch?v=93wgqTVzym4>

***DESCRIPTION:**

In this lesson, you will:

Learn that Minnesota's rich outdoor heritage is now threatened by aquatic invasive species that jeopardize recreation and the delicate ecological order. This video explains why it's time for Minnesotans to take that threat seriously.
