

CHILDREN'S *VIRTUAL WATER FESTIVAL*
SEPTEMBER 23, 2021

CATEGORY – WATER AND WILDLIFE

1. GET UP CLOSE AND PERSONAL WITH MINNESOTA'S NATIVE FISH - DNR

Minnesota Department of Natural Resources(DNR)

<https://www.youtube.com/watch?v=YHsNwg7yGKk>

***DESCRIPTION:**

In this lesson, you will:

The Minnesota Department of Natural Resources' fish pond at the Minnesota State Fair gives the public a chance to see 45 Minnesota native fish species up close. The pond is located on the south side of the DNR building. Minnesota Public Radio's Tim Post worked with the Minnesota DNR to record a really, really close view of the fish with a waterproof GoPro camera.
